(d) if so, the steps, if any taken by Government to get the help from WHO?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE [DR. (SHRIMATI) RITA VERMA]: (a) and (b) As per information provided by the Central Bureau of Health Intelligence the number of deaths due to rabies in India for the years 1996, 1997 and 1998 are 622,655 and 566 respectively. The number of deaths due to rabies in Karnataka for the same years are 61,34 and 36 respectively.

(c) and (d) WHO organised an informal intercountry consultation from 31st March to 2nd April, 1998 at Delhi to chalk out Regional Strategy for elimination of Rabies for the South East Asian Region.

Technical support in the form of consultants has been provided by the WHO. Besides, financial support through the WHO Biennium (country budget) continue to be provided to Government for its Rabies Control Programme.
